## Words from our Alumni

I still remember vividly that I was so excited when I was admitted to eBSCM. This program is about my interests, and supply chain management is a promising industry. eBSCM provided students with lots of useful courses and seminars, where I learned a variety of the latest knowledge about supply chain management. Besides, some courses, such as Big Data Analysis and Business Decision Making, taught us how to use software to deal with business problems, which is beneficial to my career. I am sure that if you guys would like to develop your career in the supply chain industry, eBSCM is a good choice for you!

**Graduate Trainee of DSV Air&Sea Ltd.**

It is my great honour to study and grow in eBusiness and Supply Chain Management Programme. After studying this Programme, I have developed an intense interest in eBusiness. I was impressed by one of the courses - Supply Chain Management in eBusiness. The case studies presented in this course provided me with a deeper understanding of various industries and proved invaluable during interviews. I would like to express my heartfelt gratitude to the teaching assistant and all the professors who offered valuable suggestions regarding my studies, personal life, and career choices. Currently, I am proud to hold the position of Sourcing Manager in the Procurement Qualification Department at Huawei Technologies Co., Ltd.
